1) From the letter forwarded for the Hon'ble, the City Improvement Trust Board, (copy filed) it is evident that the Government has decided to be constructed on the site the premises of the theatre and with the aid of loan to be borrowed from Government. The only parties, in this case, to take up the construction of the building are a set of commercial enterprise - though apparently a public one.

14) The arrangement and not, I think, be to the advantage of Government which will in the long run be adverse the Body of the people, and is responsible not be the assurance to. On the one hand the investment of the Government of the sources that fund is equated to the purpose which is framed to serve.

Kindly refer to remarks contained in paras 14 & 15 above. The Municipal Council is of the opinion that the entire cost of the construction of a new Maternity Hospital building at Mysore may be met by Govt. without depending upon the Charitable funds.

The main file (2735) on the subject was immediately forwarded to the Dev. Agent Chief for remarks on 28/4/34. On that file the Chairman, City Improvement Trust Board, Mysore, has agreed to construct a Maternity Hospital Building at Mysore and the

It would certainly have been better if the building could have been built entirely out of Government funds and independently of the chattram funds altogether. I am also of the same view as the Muzrai Commissioner that this is the best course to adopt. Government should accept this view, then it would be necessary to acquire and pay for this site as well as the new hospital buildings which are already nearing completion. In that case, sufficient additional land which adjoins the present site may also be acquired simultaneously and the wards which are now a serious desideratum be also constructed. The amount of money required for all these purposes

C-V-100

purposes may not be too large considering that it is proposed to pay a rent of Rs.10(a month for the hospital when the full complement of structures including wards is provided.

As the building is now almost ready, the question of approaching philanthropic gentlemen for assistance does not arise. However, as the wards still remain to be constructed and have been deleted for the present for want of funds, I shall instruct the Superintendent, Civil Veterinary Department, to explore the possibility of securing funds for these structures from private sources as indicated in the Secretariat note.

Govt. O. Dr. D 4976-83/ G.N 110-30-23 dated 14-2-36 sanctioning an estimate amounting to Rs 17,400 for the construction of Veterinary Hospital Building at Mysore by the Ranjavaja Bahadur Chattram Committee etc-

The lands which are proposed to be acquired will form part of the Veterinary Hospital Building and the cost of acquisition will be met from the Ranjavaja Bahadur Chattram Funds. It is not clear what action should be taken in the L.S. Dept. for the acquisition of the properties. As the cost of the acquisition is to be met from the Chattram funds and as the purpose of the acquisition is for the construction of Veterinary Hospital action has perhaps to be taken in the Dev or Mysore Branches.

[But the Trust Bd has already taken action in the matter under Section 17 of its Lands Acquisition Regulation]

Three drafts sanctioning the acquisition already put up are for orders.

Sir,

I have the honour to forward herewith a scheme for cquiring the vacant land belonging to Mr. Sivaramiah in Block o.48, Devaraja Mohalla for the construction of a Veterinary ospital, and to request that you may be so good as to obtain anction of Government thereto.

All the formalities enjoined under section 16 of the city f Mysore Improvement Regulation have been gone through in respect f this scheme and the following papers relating thereto are sub-itted herewith for the information of Government.

(1) Copy of notification No.3/33-34 dated 3-11-1933 issued under section 16 of City Improvement Regulation.

(2) Copy of the Board's Resolution No.V (2) dated 10-1-1934.

(3) Duplicate copies of the plans, rental value statements and the estimate.

The cost of the scheme is estimated at Rs.3,592/- or in round igures Rs.3,600/- This expenditure should be borne by the anjaraja Bahadur Chatram funds as the lands when acquired will part of the Veterinary Hospital Building which is being

constructed out of chatram funds. A separate reference to Government in this matter will be made. The necessary declaration statements both in English and Kannada are also sent herewith for favour of publication in the Mysore Gazette.

I have the honour to be,

The Chief Secretary to the
Government of His Highness the
Maharaja of Mysore, Bangalore.

Sir,

I have the honor to invite your kind reference to this Office letter No.840 dated 19th February 1934 forwarding a scheme for the acquisition of the vacant land belonging to Mr. Sivaramiah in Block No.48, Devaraja Mohalla, Mysore and to request that you may be so good as to obtain early sanction of Government thereto.

The Government have, in their Order No.D.4976-83/G.V.110-30-23 ated 14th February 1936, sanctioned the grant of a loan of Rs.6,000/- o the Nanjaraja Bahadur Chattram Committee for this acquisition and other works. But as the acquisition scheme has not yet been sanctioned it has not been possible to settle the claims of Mr. Sivaramiah. I request therefore that the scheme may kindly be sanctioned and declaration statements caused to be published in the Gazette early.

Orders were issued on 5.3.36 and communicated to the Chairman of the T.B. No further action seems called for.
